Analytics of Optimal 2-For-1 Strategy in NBA Basketball

[https://racketracer.wordpress.com/2015/05/12/analytics-of-optimal-2-for-1-strategy-in-nba-basketball/?utm\\_source=pocket\\_shared](https://racketracer.wordpress.com/2015/05/12/analytics-of-optimal-2-for-1-strategy-in-nba-basketball/?utm_source=pocket_shared)

How efficient is a 2 for 1 possession in the last minute of an NBA quarter?

If a 2 for 1 is more efficient, what is the best timing of the shot attempt for a 2 for 1 possession to result in the highest point differential?
